

Falguni is an internationally recognised Personal Transformation Coach.

Falguni helps executives and business owners achieve radical personal and professional transformation by tapping into their inner intelligence using her EQ loaded, Signature V.I.S.I.B.I.L.I.T.Y Framework that creates self aware leaders and teams.

Falguni is a certified Life Coach, Hypnotherapist and NLP practitioner. She has spent more than a decade in leadership roles that include growth marketing, design thinking, customer centric communication and marketing management. She is an accomplished and results - driven leader with experience in managing all facets of business operations , from strategic program management and customer experience to sales and marketing.

Falguni's point of difference is her Personal and Professional Transformation methodology. As a marketer and design thinker turned transformation coach and NLP practitioner, she has a deep understanding of human psychology and specializes in timeline therapy, core transformations and other energy healing modalities that are proven to bring life changing results. Using her profound knowledge of the ancient Vedic literature and combining that with western philosophy, she has identified and extracted success principles from those rich ideologies and formulated impeccable systems that can bring radical personal transformation with heightened self awareness and emotional intelligence.

When you engage Falguni, you access 20,000 + hours of experience, knowledge and wisdom in Personal and Professional Transformation, Effective Leadership, People Development along with deep expertise in Marketing and Communication. Falguni's goal is to enable people to broaden their horizons and look at themselves and how they show up in this world through new and different lenses.

Falguni is a heart centered, compassionate and tenacious leader who thrives on human transformation and witnessing people lead healthy, happy lives powered by self awareness and emotional intelligence.
